

Biometric Fingerprint access control reader ACBM2136FP

Operating Voltage	12VDC
Fingerprint capacity	3000 pieces
Card capacity	3000 sheets
Recording capacity	100,000
Recognition speed	≤1.0S
Recognition mode	1:N
Ways of identifying	Fingerprint, proximity card verification
Protection level	IP43
communication method	TCP/IP, RS485, U disk dump
Standard sizes	105mm*87mm* 30mm
Operating temperature	-25°C~70°C
Working humidity	≤95% non-condensing
